discussed at consultation appointment.

Signature Facials

CUSTOM FACIAL (60 MINUTES)

Allow us to select a custom plan to address problems you may be having with your skin. The use of specific cleansing, toning, masque, and productive products will help leave a healthier, firmer appearance.

OXYGEN FACIAL (60 MINUTES)

After a thorough facial, pure oxygen along with several vitamins are infused into the skin. You leave with radiant, hydrated skin. Add on a dermablade or microdermabrasion to revitalize the skin even more.

SKINPEN (60 MINS)

A minimally invasive, micro needling device that punctures the skin to stimulate the production of collagen. Recommended for scars, wrinkles, and uneven skin tone.

AQUAFACIAL

MICRODERMABRASION

DERMABLADE

MEN'S FACIALS

Body Contouring

EMSCULPT

EMSCULPT NEO is the first and only non-invasive body shaping procedure that provides simultaneous fat elimination and muscle building in a combined 30-minute session.

COOLSCULPTING

A non-invasive, FDA approved procedure that eliminates fat without surgery or down time. Coolsculpt uses controlled cooling to safely target and eliminate the fat cells underneath the skin.

VELA SHAPE III

VelaShape 3 is a non-invasive treatment that uses a combination of technologies to contour your body and reduce the appearance of cellulite.
